Is this a single leg or multi-leg option?

Single Leg Option

Multi-leg Option

Cancel

1 Order ticket

2 Per-leg premiums

Multi-leg trades need both the order ticket and per-leg premium.

1 Order ticket

The order ticket screenshot will have the "Review" option at the bottom of the screen.

Choose screenshot

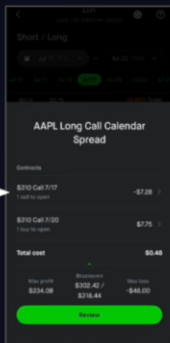

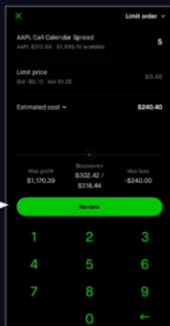

2 Per-leg premiums

The order-review screenshot will show each leg's price (e.g. ~\$3.88 and \$5.15).

Choose screenshot

All **Multi-leg options** require you to upload both an **order ticket** and **per-leg premium** screenshot
